

SQUARE KNOT NECKLACE

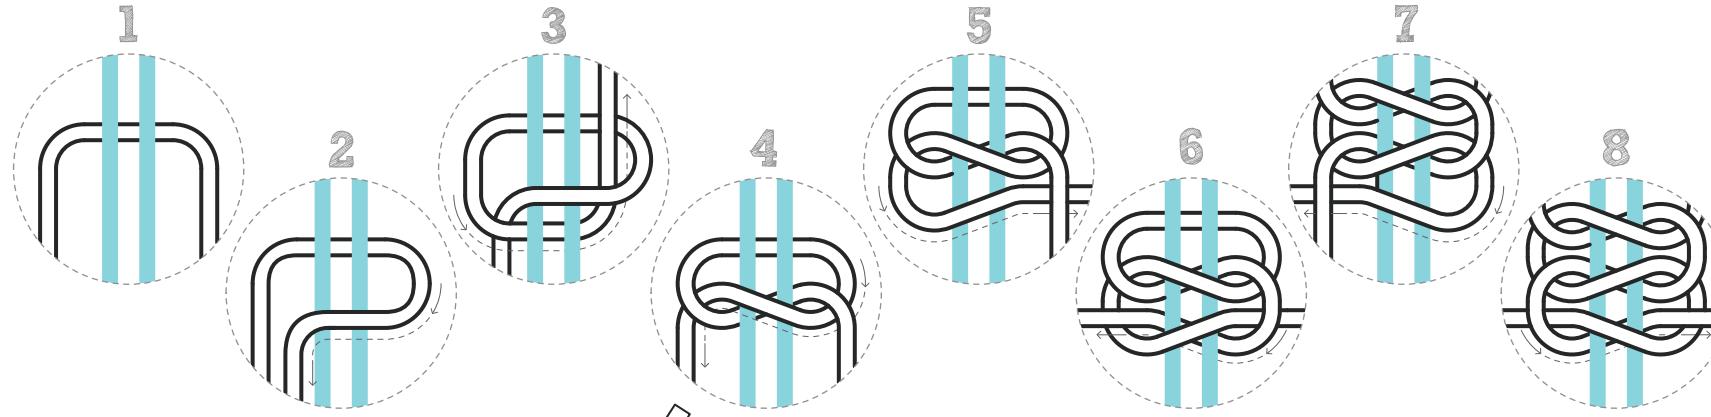

Lower East Side
Ecology Center

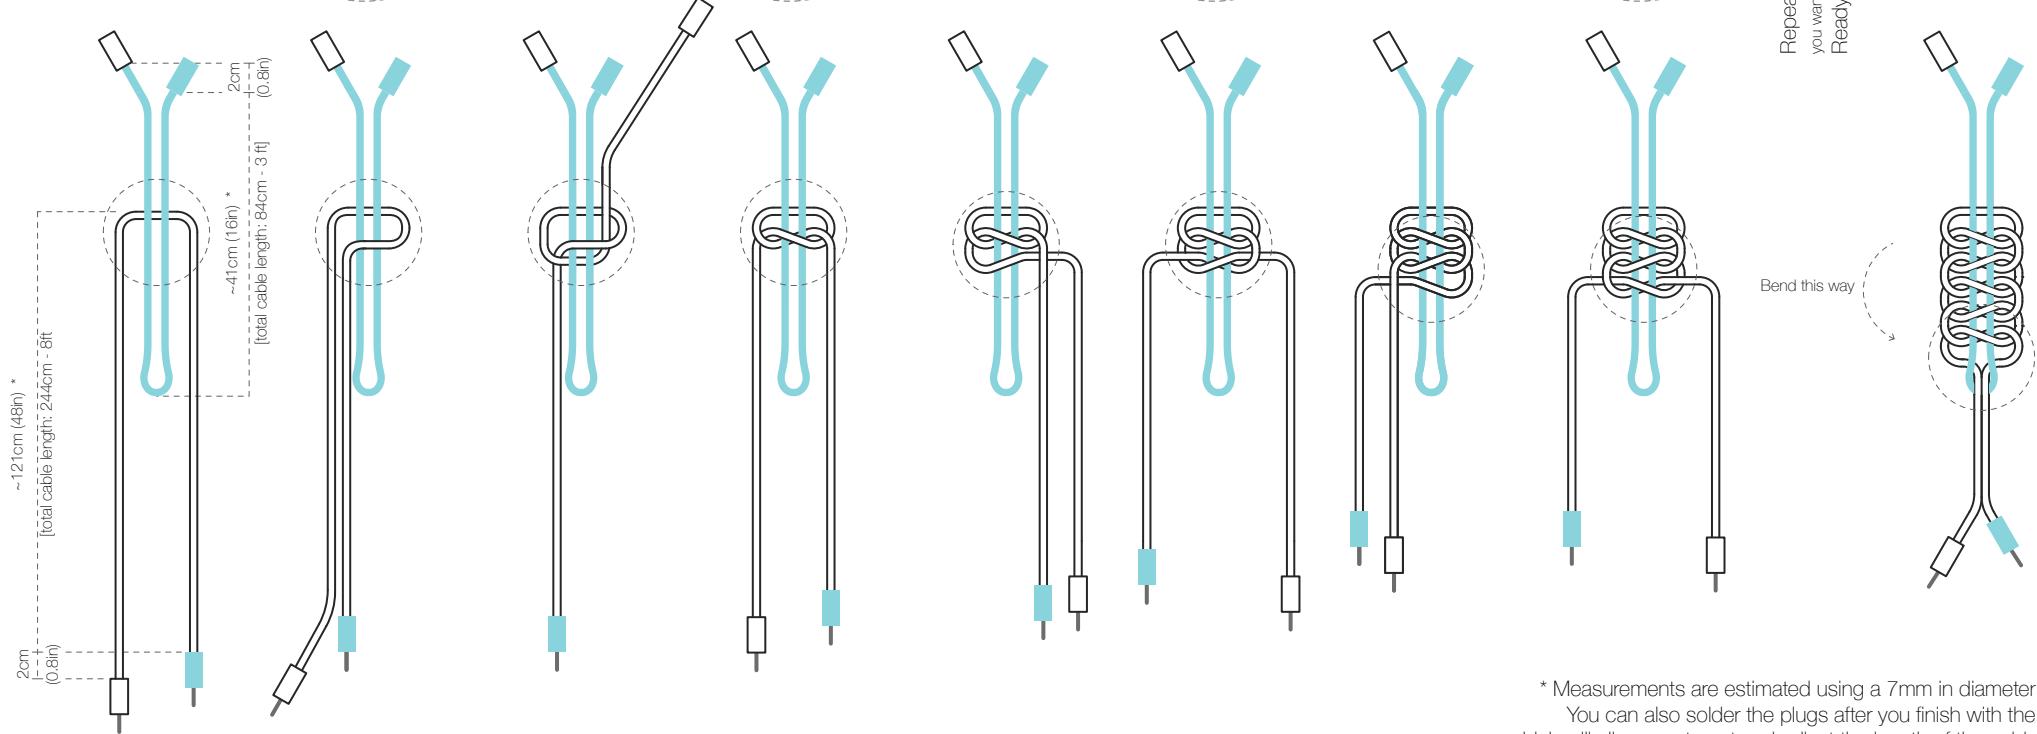

www.lesecologycenter.org

elle.godoymarcela.com

Repeat steps 5-6 and 7-8 nine times (or as many times as you want if you will be adjusting the length of the cables later)
Ready to finish it? Move on to step 9

* Measurements are estimated using a 7mm in diameter cable.
You can also solder the plugs after you finish with the knots, which will allow you to cut and adjust the length of the cables later.
